Holiday Bows

Add Elegance and Holiday Spirit to Any Space with Custom-Made Fabric Bows

Bows can be made with a variety of materials. For outdoor use, bows are fabricated with exterior grade Sunbrella fabric with water tolerant fillers. Giant sized bows have custom made armature wrapped in fabric.

We custom print patterns and logos on bows using dye sublimated fabric.

Our bows have no size limit! Use a Jumbo Bow to gift wrap an entire building.

Bows can be made in any color, including with a variety of colors sewn together.
